Good morning,

The [VCF's 13th Annual Report](#) is now posted on our website. The report details how the VCF team successfully navigated the significant changes, challenges, and achievements of 2024. The VCF continues to receive an average of 700 new claims each month – a clear indicator of the importance of our ongoing mission. Rounding out the year's significant progress is the new milestone of awarding \$14.9 billion to over 65,600 claimants since the VCF re-opened in October of 2011.

Thank you.
